COMPANY PROFILE

ABOUT

Clavera Logistics, a collective of seasoned professionals operating within the logistics sector, deeply rooted in the Kingdom of Saudi Arabia. With a robust financial foundation and diversified business activities, Clavera Logistics stands out as a trusted partner for a spectrum of logistical needs.

MEMBERSHIP

OUR MISSION

Committed to exceeding expectations, fostering excellence, and enhancing the supply chain, we strive to be the preferred partner, delivering value with every shipment.

OUR VISION

At Clavera Logistics, we aim to lead the global logistics industry with excellence and innovation, fostering seamless connectivity for thriving businesses and supply chains.

SERVICES

FREIGHT

AIR FREIGHT

In a volatile global landscape, we deliver steadfast, dependable services maintaining the integrity of your supply chain. Whether your cargo flies on commercial aircraft or requires specialized freighter planes, our expert team tailors solutions to meet your business needs.

OCEAN FREIGHT

We offers tailored solutions for your ocean freight needs. With a vast worldwide network, we provide versatile Ocean Freight services for both LCL and FCL shipments. Our expertise extends to Ocean Freight Management, Break-bulk handling, Project Forwarding, and Charter Services, ensuring your cargo receives the attention it deserves.

ROAD FREIGHT

we seamlessly integrate transport execution and management, utilizing our global network and advanced technology to monitor your shipments throughout their road journey. This commitment ensures efficient routes, optimized delivery times, and minimized costs.

ORDER MANAGEMENT

As a pivotal component of Clavera Logistics's comprehensive door-to-door global logistics solutions, our Order Management system is designed to bolster your global sourcing, transportation, customs, and distribution needs. We elevate your supply chain operations by infusing order and product-level visibility into the process.

GLOBAL FORWARDING

At Clavera Logistics, we redefine freight forwarding by not just meeting this requirement but by elevating your experience with enhanced shipment visibility and control, adding a layer of flexibility and efficiency to your operations.

CUSTOMS & COMPLIANCE

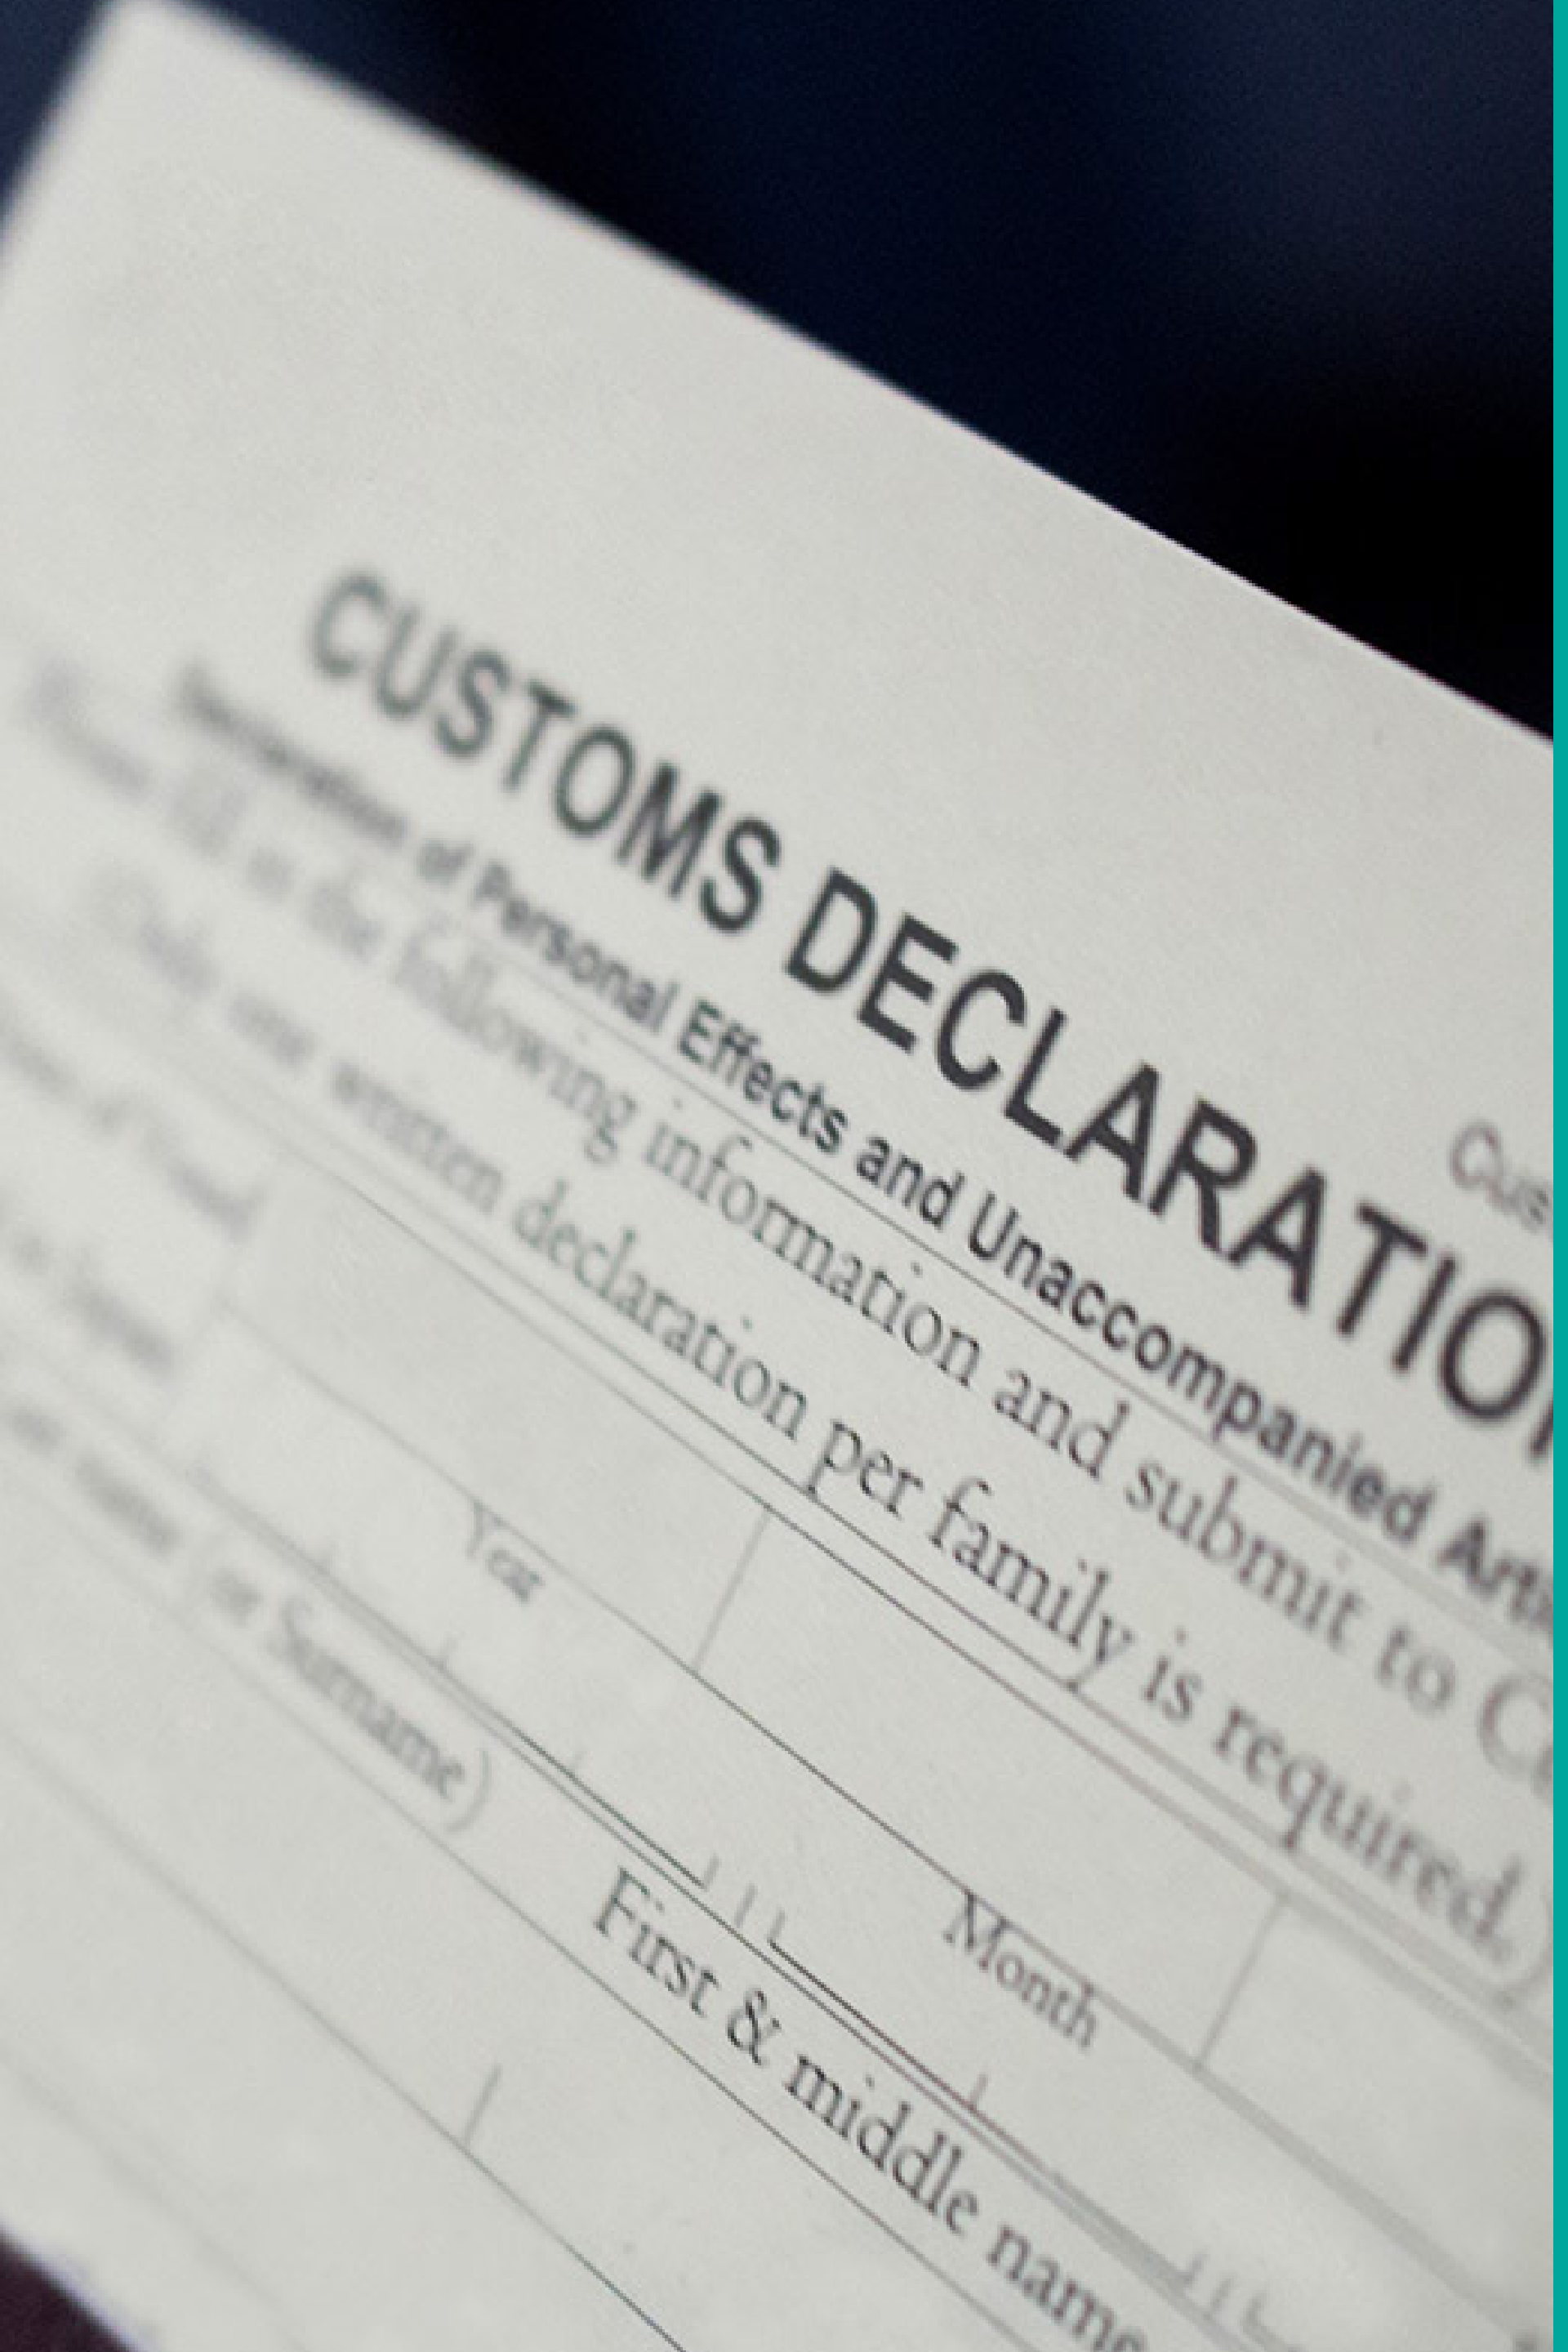

Our deep knowledge ensures that your customs processes align seamlessly with evolving regulatory landscapes. This encompassing approach covers compliance, release, and analysis, strategically managing costs to provide you with a competitive edge.

Clavera Logistics with vast experience in the KSA market bearing in-depth know-how about Saudi customs, we help our clients in planning the shipments before departure.

List of compliance services we provide:

SASO | SABER | IECEE Registration

CITC Registration | SFDA Registration

WAREHOUSING & DISTRIBUTION

Distribution and warehousing form the backbone of your supply chain, and our services are tailored to provide best-in-class inventory management and order fulfillment. This ensures not only seamless global logistics solutions but also complete supply chain management for your business.

Key Advantages:

Global Network | Advanced Technology

Local Expertise | Specialized Programs

RISK MANAGEMENT

Our dedicated Risk Management team is well-versed in the complexities of marine cargo insurance, claims, and security. We recognize that each business has unique risk profiles, and our commitment is to provide tailored solutions that align precisely with your needs. Through a comprehensive approach, we assess, mitigate, and manage risks to safeguard your supply chain operations.

Key Advantages:

Customized Solutions | Comprehensive Approach

World-Class Claims Team | Global Carrier Relationships
